## PHOTOS...

*Would you like to see your photography printed in our publications?*

Send us your photo, and if it is chosen you'll receive a photo credit and a \$25.00 gift certificate for merchandise from Photographer's Edge! You must sign the release form above and submit it along with your photo. Submitted prints are not returned. We do not have exclusive rights to your photos. We will have limitless use of your photo(s) in our publications, website or advertising. **You must write your name, address and phone number on the back of each print. Address labels work best.**

**To submit digital photos:** Send up to 25 images on DVD or CD, with a contact sheet or print of the images on the disc. Digital submissions must be in the full resolution of the original image (not reduced for email) and in jpg format. Please do not submit photos by email unless we request them from you. **Be sure to put your name and phone number on the disc itself.**

*Thank you once again, for the beautiful photographs that keep coming our way. It gets harder and harder to narrow them down!*

*Remember that we keep the photos on file. If you don't see your photo in this catalog, it may make another one.*

## QUOTATIONS...

Send us a quotation that would work well as one of our stock design cards, and perhaps you'll see it in print! If it's chosen, we'll send you a \$50.00 gift certificate for merchandise from Photographer's Edge. Please send the quotation exactly as it was written. You must provide us with the author, date and source. If you've written the quote yourself, you must fill out the "submit your work" form found above. Refer to the rest of the catalog to see what we're looking for in our quotations. Occasionally, we receive the same quote from two or more people. In this event, the first person to submit the quotation will receive the gift certificate (we date each submission upon receipt). Following like submissions will receive a pack of postcards.

## \$100 PRODUCT SEARCH Earn a \$100 Gift Certificate for Photographer's Edge merchandise

Photographer's Edge is always on the lookout for new items to carry in our product line. We are looking for little known, hard to find products (not products commonly carried in mainstream stores). The selected products should provide a definite benefit to 35mm or digital photographers in either their photo taking or selling endeavors. The suggestions must be a currently manufactured product. You must include the following information: Product name & item #; manufacturer's name (not a retailer's name) and address (phone number if possible); where you purchased it; what you paid for it; and, finally, how this product has been beneficial to you.

The \$100 gift certificate will go to the person who is the first to suggest a product that we decide to carry in our product line (we will date all submissions upon receipt). Any subsequent submissions for the same product will be awarded a pack of our postcards. Incomplete information (no manufacturer's name, just an "idea", etc.) will receive a reduced certificate amount - ie: \$50 for half information, etc.
